

Welcome Dr. Chantal Murack!

We are very excited to announce that Dr. Chantal Murack will be joining our team in April, 2019!

Dr. Chantal is a 2012 graduate of UW Madison School of Veterinary Medicine, and has been practicing equine and small animal medicine in Washington County since then.

Dr. Chantal also received her certification in Veterinary Acupuncture from the prestigious Chi Institute in June of 2014. Her knowledge of Eastern medicine will allow us to expand upon the holistic approach we already offer in addition to traditional Western medicine.

In addition to her extensive small and farm animal experience, Dr. Chantal has also worked in wildlife rehabilitation, and gone on several Veterinary related mission trips to Haiti.

In her free time Dr. Chantal enjoys running, and spending time outdoors with her husband and daughter. She and her family share their hearts and home with 2 dogs, Penny, and Jesse.

Please join us in a warm welcome for our new Doctor, and member of our team!
